TDK Life on Record

# TiSD100 2.1 Channel Audio System for iPod and iPhone

## Delivering an emmersive audio performance

The TiSD100 system delivers a high-fidelity listening experience in any space. Two full range speakers, two tweeters and a subwoofer have been designed and tuned to provide a powerful, lifelike performance.

It's sleek, modern design includes an LED screen that's concealed behind the grill when not in use, yet bright enough to see from anywhere in the room when in use. An advanced function remote gives you direct control over the iPod/iPhone while the S-video out allows you to watch video from your iPod/iPhone on any connected TV. The auxiliary line in jack enables connections to an iPod shuffle or other devices.
